Dear Middle Tennessee Chapter of The Penn State Alumni Association:

Thank you so much for your recent gift of \$1,000.00 to the Sexual Assault Center in support of **Walk in Their Shoes**. This community-wide event helps us build awareness for our mission: **to provide healing for children, adults, and families affected by sexual assault and to end sexual violence through counseling and education, and advocacy.**

Your support makes a difference by:

- Enabling victims, regardless of their ability to pay, to receive the best available care from expertly-trained SAC therapists.
- Teaching elementary students skills and knowledge to stay safe and get help when in danger through our Safe@Last program.
- Working with college students to reduce the incidence of sexual assault on campus through bystander intervention, healthy relationship skills, and understanding consent and coercion.

We are grateful, now and throughout the year, for friends like you who help SAC transform the lives of those we serve. Thanks again for taking a walk in *their* shoes.

Sincerely,

Tim Tohill
President

Thank for your support. I enjoyed meeting everyone at the walk.
